Description

Please add to the agenda:

1. Update on new town hall meetings with Ceresola. First one will be on May 22.
2. Chamber support for the CalTrans-Cromberg rehabilitation project, and the re-striping of highway 70 in town.
3. Mikki cannot be there tomorrow, and she wondered if the Chamber should sign up for the Portola city council mailing list. This way agendas will be sent straight to our inbox giving us (or one of us) the option to attend on agenda items which may be important.
